In response to the Notice of Allowability, mailed by the U.S. Patent and Trademark Office on February 01, 2010 and to the Statement of Reasons for Allowance attached thereto, Applicants wish to clarify the record with respect to the basis for the patentability of claims in the present application. In this regard, while Applicants do not disagree with the Examiner's indication of allowability, Applicants submit that each of the claims in the present application recite a combination of features, and that the basis for patentability of each of these claims is based on the combination of features recited therein.

Should there be any question, the Examiner is invited to contact the undersigned at the below-listed telephone number.
